

The Leading B2B Expo Showcasing India's Strength in Chemical, Pharmaceutical & Process Manufacturing

Why You Shouldn't Miss This Event

300+ Exhibitors

Meet top players in the Chemical, Pharma, Dyes and Process Industry in one place

22,000+ Trade Visitors

Two days of Powerful Networking with key decision-makers

20+ Professional Speakers

Expert Insights on the Latest Industry Trends and Innovation

Lead Generation

Presence of genuine buyers, procurement heads, R&D heads, Plant heads, Export buyers and industry professionals

International Attendees

China, Australia, Singapore, United Arab Emirates, Hong Kong, Canada, Egypt, South Africa, Kenya, Nigeria, Tunisia, Scotland (UK), North Macedonia, Russia, Bangladesh, Mauritius, Zimbabwe

EXHIBITOR PROFILE

PRODUCTS

- Speciality Chemicals
- Fine Chemicals
- Organic Chemicals
- Inorganic Chemicals
- Basic Chemicals
- Agrochemicals
- Fertilizers
- Industrial Solvents
- Electroplating Chemicals
- Industrial Chemicals
- Water Treatment Chemicals
- Waste Water Treatment Chemicals
- Laboratory Chemicals
- Petrochemicals
- Biocides & Disinfectants

SERVICES

- Custom Synthesis & Research
- Contract Manufacturing Companies
- Outsourcing Services

Chemical & Pharmaceutical Processing

- Process Plants, Equipment & Machineries
- Mechanical Processes
- Thermal Processes
- Refining Chemicals & Petrochemicals
- Chloroalkali
- Bio-Chemical Process Engineering

Engineering, Design & Construction

- Engineering Procurement & Construction (EPC)
- Engineering Fabricators
- Technology Licensors
- Process Design / Modelling
- Scale-up & Pilot Plant
- Project Management Consultants
- Factory Construction Services & Technologies
- Turnkey Projects

Automation, Instrumentation & Control

- Instrumentation, Control & Automation Techniques
- Digital Services
- Predictive Maintenance / Asset Management
- Process Quality Assurance (QA)
- Process Quality Control (QC)

- Soaps and Detergent Chemicals
- Catalysts / Biocatalysts
- Dyes & Dye Intermediates
- Pigments
- Textile Chemicals
- Paints, Resins, Varnishes, Coatings & Inks
- Bio-based Chemicals
- Construction Chemicals
- Electronic Chemicals
- Sugar Processing Chemicals
- Green Chemicals
- Paper Chemicals
- Feed & Poultry Chemicals
- Waxes
- Preservatives

- Distribution Services
- Supply Chain Services
- General Consultancy

Energy & Environmental Technologies

- Plant Energy Management
- Water & Waste Management Technologies
- Green Chemistry Process & Technology
- Environment Technologies & Services
- Industrial & Labour Safety

Laboratory, Analytical & Testing Solutions

- Laboratory Equipment & Techniques
- Analytical Equipment & Techniques
- Corrosion Control Equipment
- Surface Engineering Technology

Material Handling & Storage

- Pipes, Hoses, Tubing & Fittings
- Flow Technologies
- Filtration & Separation
- Mixing, Agitation & Dispersion
- Metering & Dosing
- Catalysis & Reaction Engineering
- Chemical Processing Tanks
- Chemical Storage Tanks
- Chemical Storage Containers
- Conveying / Feeding / Materials Handling

- Active Pharmaceutical Ingredients
- Pharmaceutical Intermediates
- Pharmaceutical Raw Materials
- Pharmaceutical Excipients
- Pharmaceutical Formulations
- Peptides & Proteins
- Rheology Modifiers
- Food Ingredients
- Health Ingredients
- Nutraceuticals
- Flavours & Fragrances
- Home & Personal Care Ingredients
- Cosmetic Raw Materials
- Plastic Additives
- Industrial Gases

- Reach Regulatory Services

Processing & Manufacturing Equipment

- Boilers • Turbines • Dryers
- Pumps, Valves & Compressors
- Centrifuges
- Filter Press
- Coolers
- Reactors
- Evaporators
- Distillation Columns

Packaging, Labelling & Coding

- Packaging Equipment, Machineries & Solutions
- Labelling Equipment & Solutions

Engineering & Industrial Services

- Engineering Research & Innovation
- Engineering Services
- Electrical Equipment & Services

Logistics, Finance & Supply Chain

- Logistics & Supply Chain
- Warehouse Infrastructure
- Banking, Finance & Insurance
